Foliotek Instructions Part 2 Tuesday/Thursday Classes

Be sure your Master Blog has your presentation embedded in it, links to your "iGoogle Blog" (not Wed class) and your Professional Blog (these should be under Important Links in your Layout area) and that these links WORK! Your Master Blog must also have a report on your electronic contact with someone away from here (Project 6) and your ACCESS visit (Project 7). If you were absolutely unable to make an ACCESS visit, describe in detail what you did. Provide me with a telephone number where I can contact you during exam week. I will call you and discuss, verify that you did encounter insurmountable problems, and if so, accept your report in lieu of an actual visit. You should absolutely be prepared to defend your failure to do an ACCESS visit. This is NOT an EASY WAY OUT of this assignment and you are taking a risk in addressing this assignment in this manner. Your Master Blog must be complete INCLUDING the Last Two Posts that are Required.

1. Follow the general Foliotek instructions except use the following to determine what posts should be made.
 - a. Link to your Master Blog – all 5 standards
 - b. Link to your Professional Blog – all 5 standards
 - c. Link to your Class Podcast Blog – all 5 standards
 - d. Link to my evaluation of your exams and iGoogle page

You construct this link in this way:

In the following you use the first initial of the name the University records have. So Lisa Burke is mburke, Scarlett Moore is kmoore ETC.

For example, if I were in the Tuesday 11 class, mine would be:

For example, if I were in the Tuesday 2 class, mine would be:

<http://www.johnstrange.com/edm310fall08/T2evaluations/jstrange.pdf>

For example, if I were in the Tuesday 4 class, mine would be:

<http://www.johnstrange.com/edm310fall08/T4evaluations/jstrange.pdf>

- e. Link to your iGoogle Blog (NOT WED NIGHT) - all standards EXCEPT

Professionalism 290-3-3-.03 (5)(c) 3.(i) **Alabama-Specific Improvement Initiatives**
And

Professionalism 290-3-3-.03 (5)(c) 5.(ii) **Ethics**

IMPORTANT

If you want to make sure that you have completed Foliotek properly for this course you must let me look at your Foliotek postings **IN YOUR PRESENCE**.

I can look at your Foliotek postings later **BUT IT WILL BE ALMOST IMPOSSIBLE TO MAKE CORRECTIONS IF YOU HAVE NOT DONE FOLIOTEK PROPERLY**. And you will get an I which will change to an F if you do not do Foliotek correctly this semester.

I suggest that you make sure I see your Foliotek postings **BEFORE** December 3. Just let me know. Next Tuesday after the exam would be an **EXCELLENT** time to do this. Or on Tuesday December 2 (no classes scheduled but I will be in class.)

CHECK ALL LINKS IN FOLIOTEK! They MUST work or they are USELESS!
