## Fall 2019

Everything will be on the web page: <http://www.johnstrange.com/jstrange>

Regular Season Start Date: Sunday Sept. 8, 2019 End Date: Sunday December 29, 2019

**NO THURSDAY (except Thanksgiving Day) or MONDAY NIGHT GAMES ALLOWED .**  
If you pick a Thursday game other than Thanksgiving or any Monday night game, it will be a forfeit!

1. Pick 4 teams against the spread every week.
2. The spread that will be used will be the Friday noon [Football Locks](#) noon spread. I will email this to you and post it on the Neighborhood Contest site ( <http://www.johnstrange.com/jstrange> ) as close to noon as possible on Fridays.
3. For ALL weeks except Thanksgiving, use the FRIDAY line. For the Thanksgiving week, use the WEDNESDAY line for ALL games that week.
4. **IMPORTANT:** If there is NO LINE do NOT pick the game. It will be a forfeit! BUT You can pick EVEN games. Nobody benefits from the spread since the prediction is that they will tie.
5. **IMPORTANT:** If you pick one or more early games (not Sunday games), you must pick ALL 4 games and submit them at the same time whether or not you pick more than one early game. Failure to follow this rule will result in forfeits for games not picked at the same time as other games picked. **NO MONDAY NIGHT GAMES ALLOWED.** If you pick a Monday night game, it will be a forfeit! No THURSDAY games allowed except Thanksgiving Day.
6. If there is a tie after taking into account the spread, the game is declared a ZIGGY and is NOT a win for the purposes of this contest. Only WINS against the spread count.

ALL picks must be EMAILED to [jstrange@mac.com](mailto:jstrange@mac.com) or CALLED IN to me at 251-610-2599 no later than 11 am CST of game day of the earliest game picked, or if the game starts before noon CST then no later than 1 hour prior to start of the earliest game picked.
